Work History

AT&T Retail Sales Associate

June 2021- July 2022

- Worked with multiple different software's to assist customers
- Give technical support and solutions to problems customers may have with their devices
- Consistently hit sales numbers and achieved company goals set each month.

Target

April 2018 – June 2021

- As an Electronic sales associate's day to day duties.
- Explain electronic products, service plans, and warranty plans. I also show customers accessories, such as plug-ins, cell phone, or gaming system controllers, that can enhance the customer's use of their devices.
- Overseas Department Inventory, keeping an adequate supply of products and accessories. Maintain weekly or monthly inventory log, placing orders as needed.
- Organize electronics Department, setting up displays, arranging merchandise on shelves, returning merchandise to a proper area, and removing empty box.
- Actively push for sales in order to increase profits for the company, as well as my own personal store.
